**MALLEABLE IRON RANGE COMPANY**  
 BEAVER DAM, WIS.

Seventy Thousand  
 Square Feet of Modern  
 Foundries

Eight and one-half acres of modern foundries, shops and assembling rooms used exclusively for the production of cooking devices of the highest efficiency. Four distinct lines of ranges, over one hundred different models and finishes, giving the home owner an exceptional choice for use of any of three fuels or combination.

*Coal-Wood, Electric, Gas and Combination Ranges*
