UNITED STATES PATENT OFFICE

99,265

DESIGN FOR A COMBINATION COAL AND GAS RANGE

Herbert T. Burrow, Beaver Dam, Wis., assignor
to Malleable Iron Range Company, Beaver
Dam, Wis., a corporation of Wisconsin

Application December 31, 1935, Serial No. 60,360

Term of patent 14 years

To all whom it may concern:

Be it known that I, Herbert T. Burrow, a citizen of the United States, residing at Beaver Dam, in the county of Dodge and State of Wisconsin, have invented a new, original, and ornamental Design for Combination Coal and Gas Ranges, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof.

The figure is a perspective view of a combination coal and gas range, showing my new design.

The end of the range, opposite the end shown in the drawing, is substantially plain, except for a horizontal row of draft openings of conventional type.

I claim:

The ornamental design for a combination coal and gas range, as shown and described.

In testimony whereof I have hereunto affixed my signature.

HERBERT T. BURROW.
